

## SCARWF--We're looking for a few good VOLUNTEERS

If you've got a skill or talent that could help our club or if you're an ordinary person who'd just like to be more involved, we have need of you!

Here's a list of **currently open positions** within SCARWF:

**Advocate/Political Action Chair** (monitors local politics and alerts members to issues we care about; helps members know where, when, and how to make their voices heard)

**Caller** (reminds members of upcoming meetings)

**Greeters** (We have a chairperson, but can always use more greeters)

**Parliamentarian** (assists club officers and members by facilitating the following of parliamentary procedures--must be familiar with SCARWF bylaws)

**Amenities** (We have a chairperson, but we always need help setting up for events, running the 50/50 drawing and raffle, etc.)

**Historian** (Are you good at scrapbooking? We need someone to document SCARWF's meetings and events and preserve them in a beautiful way)

**Book Club** (helps with selecting books and facilitates book club discussions)

**Photographer Assistants** (helps the photographer by taking additional photos and meetings and events)
