# President's Message December, 2019

*It's the most*  
**WONDERFUL**  
*time of the year!*

Dear Ladies and Gentlemen of SCARWF,

We the people of the United States have been given a gift. This is the gift of revelation regarding our government. This revelation has come to us via the televised hearings regarding the attempted impeachment of our duly elected President Donald J. Trump. Think about this. It is now clear that most of the U.S. media is in cahoots with the Democrat Party and vice versa. Their goal is to destroy our President and our country, as we know it. Most citizens now know they cannot trust the mainstream press. We have been aware of the media's constant attempts to manipulate, outright lie, and obfuscate to fulfill the narrative they are trying to push on the American people. At least in Russia the population realizes that the government-controlled news organization, Pravda, is being told by the Russian government what to write and its content is most likely propaganda.

Here in the United States we trusted our media, because it was considered adversarial or neutral. This has been proven, as of late, to be a mistake via the many revelations over the last 12 years regarding these institutions. During the last 4 years, wave after wave of crazy accusations have surrounded President Trump, starting before he was elected. This would be devastating for any ordinary man. He soldiers on, I say soldier because we are in a war and he and the ones fighting alongside him are our heroes. Who would have thought that this unlikely successful businessman and celebrity would give up so much to serve our country? Week after week he, his family and administration are under attack. When an accusation is debunked, the Democrat Party should be embarrassed and retreat, but they do not. Pelosi and Schiff are in survival mode and are driven to make twisted and ridiculous charges against the President. There can be only one explanation for this, they have a lot to hide and know that they will be exposed shortly.

When the Muller Report didn't work out and fell apart, an innocent phone call to a head of state in the Ukraine was made into an impeachable offence. Schiff made a fool out of himself with a fake rendition of the call. The transcript of the call was released by the President and was shown that Schiff was a liar. Now this farce is further being debunked on national television, and we are able to watch as State Departments, unelected bureaucrats, twist and turn a conversation they did not even hear firsthand into a "nothing" accusation by their own admission. This is a joke and we the people are witnessing incompetent, self-important, unelected bureaucrats in the State Department try to aid the Democrats in another HOAX against the American people. It is turning out to be devastating for them and a revelation to us. They are an embarrassment to the United States of America and the world is watching. I say, let the Democrats continue with the charade. It will only ensure Donald Trump's re-election in 2020.

We are told the FISA warrants have been investigated, the results are going to be devastating and indictments are coming. Our President has shown us he will never give in to the intimidation tactics of the Leftist/Democrats. By his own actions we know our President loves, God, the American people and our Constitution. President Donald Trump is our champion!

God bless him and the United States of America!

Blessings,

Jacqueline Cooper, SCARWF President

## Invocation

Our Father,

We thank you for Your gracious and limitless blessings. As Republican Women, we believe and honor our Bible based United States Constitution. We lift up President Trump in prayer, knowing he's devoted to protecting our cherished freedoms. Father, You hold time in Your hands. Dear Lord, pray keep and comfort "We the People" as we face various challenges. We find wisdom, strength and peace from Your Holy Word, the Bible. Only You hold time in Your Reverent Hands. Isaiah, The Prophet wrote these wise words in Scripture, God's love letter to each of us...For to us a Child is born, to us a Son is given, and the government will be on His shoulders. He will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace - Isaiah 9:6. Lord, God nothing is higher, stronger or greater than Your love for us.

We pray in Your Holy Name. Amen

# SCARWF Veteran's Day Luncheon 2019

The luncheon sooo good! Michael went all out and put all of his 4th for July decorations out for us so the room was perfect for our veterans celebration. Over 80 members showed up with guest veterans. We had the Honor Flight Co-founder, Craig Van Doren, as our speaker and he gave a lovely power point presentation. We also had a singer. The meeting was jammed pack with our Military Outreach information. Vickie Rennie got \$1,200.00 in checks after our lovely Mary Jo gave a great speech about military families and Albertsons is giving us \$1,800. They are actively fundraising for the project:) We are going to be able to give out so many Thanksgiving dinners this year!

Here are a few pictures. Enjoy!

### Volunteer of the Month

# Morlene Atkinson

Morlene was born in Los Angeles. Her parents were Morley and Julia Pingle who knew their firstborn would be a boy so hadn't thought of a girl's name. It took them more than three days to decide on the name, Morlene, so her birth certificate says unnamed baby girl Pingle. She says she gave her namesake a hard time up to and until he passed away at age 99.

Growing up in Los Angeles, her father, a butcher, loved real estate and so they moved many times in her elementary years. Julia, who had been in show business saw that Morlene took tap, ballet, toe dancing, piano and voice lessons as well as being active in 4H and going to Oregon every summer.

Attending Pomona College in Claremont was a marvelous experience and she still enjoys seeing many of her classmates. She married Bill Atkinson who taught her to ski, and they loved dancing and playing bridge. Married in 1955, Morlene taught third and fourth grade for seven years until they adopted two sons Rob and Paul. They lived in Studio City, Tacoma Washington, Long Beach, Anaheim, Santa Ana and built a home in Rancho Santa Fe. After 17 years of marriage, they divorced, and she and the boys moved to Arcadia where she had lived the last couple of years in high school.

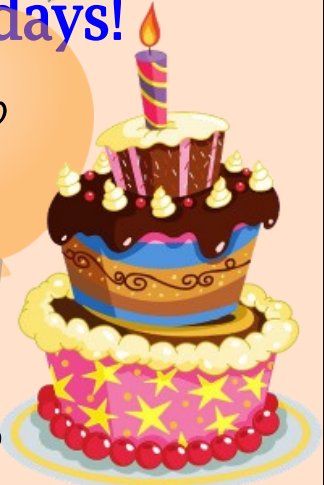

In 1972, she embarked on a real estate career in order to provide for Rob and Paul who were now 7 and 5. Her broker encouraged everyone to become top producers and Morlene won trips to England and Spain. She loved helping the families. With children out of the nest and parents having moved to their ranch in Oregon, she decided to move to San Clemente and enjoy a slower pace and clean air. Continuing her real estate career, she became Realtor Emeritus after 41 years and now simply uses her broker license to consult and refer business. This allows her more time to pursue her interests of travel, bridge, playing the piano, opera, symphonies, book club, church choir and bible study.

Her son Rob, now 56, moved from Austin Texas 2011 and is now living with Morlene and working at Lowes. He is her gourmet chef and cohost, and everyone enjoys his beautiful presentations. Paul, now 53, lives in Flower Mound, Texas, with his beautiful wife Kim and youngest son AJ (18). Their daughter Kami married Mitchell last year and they now live nearby. Jacob, their eldest, moved back to California and is a musician.

Morlene has been on the calling committee, reviewed the bylaws and has served on the nominating committee. She enjoys SCARWF asked all it stands for.

# Susan Champion

I am a resident of Laguna Niguel with my dear husband, Jack. We've lived here now for 15 years in the beautiful Kite Hill Community. I am proudly involved as the Events Chairman of this neighborhood of 625 homes. This, along with my church and SCARWF membership and family involvements, has kept me busy during these last 5 years of my retirement from teaching elementary school in Los Alamitos California.

I was blessed to have taught at Rossmoor Elementary for over 27 years. The grade level I most enjoyed was 5th Grade—as I was able to have capable students who could understand the beginnings of America. While teaching this important subject, I became ever more aware of the History of our Great Nation, and a follower of our forefathers in their fight for our Independence and Freedoms. My older sister, Mary, added to my self-knowledge and interest in our American roots as she discovered and shared that our family is a member of the DAUGHTERS OF THE AMERICAN REVOLUTION. This, of course, has led me to want to join with all Republicans in our endeavors to secure our freedoms and conservative values.

Although Jack and I have no children, my siblings have wonderful children that I love dearly. We have 14 nieces and nephews and 27 grand nieces and nephews. Thankfully, many of these are able to live in California, and thanks to Kathryn Crouch, were invited and took part in celebrating my 70th birthday last August. My life is full, happy and blessed in this GREATEST COUNTRY in the world. Thank you to all that work to make and keep it so.
