President's Message February, 2018

"What a difference a day makes"! The beginning of a famous old song and a phrase we all often use to describe unexpected change! After I wish you all a **Happy Valentine's Day and President's Day** all I can say is what a year! Many good things have happened for our country as a result of President Trump putting America first. His actions have encouraged a record setting Stock Market increase by decreasing regulation of commerce, and that lead to a decrease in unemployment and also more jobs coming back to the USA as companies bring their overseas money back due to the tax cuts.

The events in early 2018, such as our two long-time Republican OC Congressman, Representatives Ed Royce and Darrell Issa stepping out of the race for the 2018 election, make us pause in wonder about what further revelations await us in this exciting time we live in! So, what's a Republican Woman to do? I'll tell you what I suggest, gear up to be even more involved in our local, County, State and National political scene if you want to be happy with the result of the

midterms and help President Trump continue to implement his agenda!

Here are some things our club is doing:

We are starting a **New Voter Registration Drive** in two locations this year: A new one at the Mission Viejo Mall, one Saturday of the month and again on Del Mar St. one Sunday a month. These efforts start in February and will continue through October! Look for more information in the Tide and our website on how to sign up to volunteer for Voter Registration and how to RSVP for the **"Elephant Wine Tasting Party"**. You are eligible to attend if you are a New Member in 2017-18 or renewed your membership by January 1.

In March, we hope to award the special **Charlotte Mousel Scholarship** to a qualified candidate who will then go on to compete on the County level with hopes of moving eventually to the State-wide competition!

Our **April 11th Spring Fashion Show** will feature a new store with a wide variety of fashion labels including **Ivanka Trump!** Now is the time we ask local stores and services for items to fill our Silent Auction baskets, as an important part of our fundraising effort for scholarships. **Please help us!**

So, you see that SCARWF has a full plate of activities for you to choose from as a San Clemente Republican!

Invocation

Our Father, thank you that our hope and trust is in You Lord. Thank You for America's unique greatness!

Our first President George Washington spent a part of every day in private prayer and devotion to our Heavenly Father. As we celebrate his birthday this month may we remember his prayer: "Almighty God, we make our earnest prayer that You will keep the United States in Your protection." George Washington knew our relationship with the Lord is to be our main priority, for His power is limitless.

The Psalmist wrote, He that dwells in the secret place of the Most High shall abide under the shadow of the Almighty." Psalm 91:1. Father, we pray that You will shield and protect our President, Donald Trump, and all government servants as they struggle with the many challenges facing our nation. Thank You for Your presence, as we pray in Your Holy Name, Lord. Amen.

Utilities cutting rates, cite benefits of Trump tax reform

by Paul Bedard, Washington Examiner

On the heels of companies dishing bonuses of up to \$3,000 to over one million workers due to the anticipated benefit of President Trump's tax reform victory, several major utilities have announced plans to cut rates in a consumer payback related to the lower taxes.

Energy suppliers like Washington's Pepco, Baltimore Gas and Light, Pacific Power, Rocky Mountain Power and Commonwealth Edison said they plan to give hundreds of thousands of customers a rate cut due to the tax reform.

The taxpayer advocate group [Americans for Tax Reform](#) is pulling together the list of utilities expected to apply for a rate cut as it has for more than 100 major firms planning to pay out bonuses, higher wages and increased benefits due to the expected windfall they plan to receive when corporate taxes are cut.

In one announcement typical of those from the utilities sharing their tax benefits, Pacific Power said, "The benefit of this tax cut should be passed on to our customers – and we will work with our regulators and stakeholders on the best way to do that."

Here are [ATR's examples](#):

Baltimore Gas & Electric – the utility is passing on \$82 million worth of tax savings, resulting in lower gas and electric bills for customers:

Today BGE will file with the Maryland Public Service Commission (PSC) to pass approximately \$82 million in annual tax savings to customers, resulting from federal tax cost reductions. The Tax Cuts and Jobs Act, which decreased the corporate tax rate from 35 percent to 21 percent, was signed into law on Dec. 22, 2017 and became effective on Jan. 1, 2018. If approved by the PSC, the average BGE residential electric customer can expect to see an estimated \$2.31 decrease on their monthly bill, and the average residential combined natural gas and electric customer can expect an estimated \$4.27 monthly reduction, effective in February 2018.

"Reduced tax costs create an opportunity for BGE customers to benefit from further decreases in their total energy bills," said Calvin G. Butler Jr, chief executive officer of BGE. – Jan. 5, 2018 Baltimore Gas & Electric press release

Pacific Power – the utility will pass along tax savings to customers:

The new Republican tax plan has brought a variety of tax cuts. Pacific Power says they are committed to passing the benefit of this tax cut on to customers.

"We strive to provide our customers reliable service while keeping rates low," said Stefan Bird, President and CEO of Pacific Power. "The benefit of this tax cut should be passed on to our customers – and we will work with our regulators and stakeholders on the best way to do that." – Jan. 3, 2018 My Columbia Basin article excerpt

Pepco – the utility will pass along tax savings to customers:

Pepco today announced they will file with the Public Service Commission of the District of Columbia in early February, outlining plans to provide annual tax savings to more than 296,000 electric customers in the District of Columbia. If approved, Pepco would plan to begin providing a credit lowering customer bills starting in the first quarter of 2018.

The tax savings are the result of federal tax reductions under the new Tax Cuts and Jobs Act, which was signed into law on Dec. 22, 2017, and became effective on Jan. 1, 2018. The decrease in the Corporate Tax Rate from 35 percent to 21 percent reduces the amount of federal income tax Pepco will have to pay.

"The tax law will result in lower bills for our customers and lower taxes for Pepco," said Dave Velazquez, President and CEO, Pepco Holdings, which includes Pepco. "We are pleased to provide these savings to our customers, while at the same time ensuring we are making prudent investments in the local power grid to maintain the safe, reliable, and affordable service our customers have come to expect." – Jan. 5, 2018 Pepco press release

Rocky Mountain Power – the utility will pass along tax savings to customers:

Rocky Mountain Power says it plans to pass some of its federal tax savings on to customers. But, the company isn't sure how much or when. – Jan. 4 Local News 8 article excerpt

Commonwealth Edison Company (ComEd) – the utility is passing on \$200 million worth of tax savings to its customers:

Today ComEd is filing a petition with the Illinois Commerce Commission (ICC) seeking approval to pass along approximately \$200 million in tax savings to its customers in 2018. If approved by the ICC, the average ComEd residential customer can expect to see an estimated \$2-\$3 decrease on their monthly bill related to the tax reduction.

The Tax Cuts and Jobs Act (TCJA), which was signed into law on Dec. 22, 2017 and became effective on Jan. 1, 2018, decreased the corporate tax rate from 35 percent to 21 percent, reducing the amount of federal income tax ComEd will have to pay. – Jan. 5 Commonwealth Edison Company press release

FEBRUARY BOOK

"All Out War" by Edward Klein

Book Club News by Susan Campion, Book Club Chair

Our club members met on Wednesday, January 17th at the Panera Restaurant in the Outlets Mall. We were happy to have some new members join us as we discussed Billionaire at the Barricades: The Populist Revolution, by Laura Ingraham. Our discussion was lively, as Laura was able, from her years in Washington and in politics, to trace some of the reasons for the election of President Trump. All of us who are familiar with Laura on her weekly Fox broadcast, were not surprised by her frank and honest look at American politics. She identifies multiple barricades that President Trump and our country face: the press corps, the left dominated by radicalism and anti-Americanism, the hostile bipartisan Establishment in Congress, China and many others. She outlines goals beyond Right and Left that must be achieved for all Americans. We recommend this excellent book to our members.

Our next meeting will be held at Panera at 4 p.m. on February 21st. We are reading All Out War, by Edward

Klein. Our March book will be Michael Medved's The American Miracle. We welcome all SCARWF members and friends to join us for these discussions.
