President's Message January, 2018

Happy New Year to Everyone!

Congratulations to President Donald J Trump for his leadership and the Tax Reform he signed into law as a holiday present for America!

As we start the New Year, I want to thank everyone who made 2017 such a great year to be a member of SCARWF!

Our Republican Book Club met monthly to review fascinating books which provoke a lively discussion, our Military Outreach touched more lives at Camp Pendleton's De Luz Family group through our Thanksgiving, Christmas and Baby Shower events and our successful Fashion Show Fundraiser allowed us to present five Scholarships to deserving local students, which I believe is a record number for us! Of course, I couldn't

forget to mention our Special Judge Jeanine Speaker Event that we jointly co-hosted with Aliso Viejo Republican Women and the Lincoln Club of Orange County. This was a stellar example of how our Republican Women can shine in making big things happen by their committed effort!

I am happy to continue as your President for 2018 and excited about all the things we can learn, accomplish and do together as Republican Women. Welcome to our 2018 Executive Board and Board of Directors with many of the familiar but some new faces! Please see the listing in the Tide with our 2018 Board and identify the Chairman who will help guide our club forward in learning, fun and action! At the time of my writing the message you are reading, we are still in need of filling some important positions and I encourage you to step forward and take on a new role and challenge for 2018 and fill these positions!

We continue to live in very exciting times for America and the world and the revelations in the news are often more entertaining than the best thriller movie or book! Paying attention to what is happening legislatively will be even more important in 2018 with the midterm elections threatening the position of four of our crucial Republican Orange County Representatives. We need to help them be re-elected if the Trump Administration is to maintain control in the Congress!

Again, thanks to our great 1st VP Program Chairman, Jackie Cooper, we have an informative speaker presentation you won't want to miss at our January 10th General Meeting. Election Integrity Project VP Ruth Weiss and Catherine Gerdis will open your eyes wide with their groups Voter Fraud investigation and documentation of the statewide California election corruption that needs legal action and preventative measures for the mid-term election coming up in 2018.

Please plan on attending and bring a friend who you think might want to join us in 2018!

Best regards, Mollie Lazarus, President, San Clemente Area Republican Women Federated

Our Father, thank you for our great sovereign Nation, America! We pray You restore a social conscience to the United States!

Thank You for our unique rich heritage. May we never forget that our country was founded upon religious freedom and precepts found in Your Holy Word. May the very same spirit reside in us, as it did in our founding fathers.

Lord we humbly ask Your blessings on the only other nation founded on your Holy Name, Lord, the land of Israel. We know Israel is the "Apple of Your Eye".

We ask blessing on our President, Donald Trump, members of Congress and all Government Leaders.

In Your Name, Lord, we ask your blessings on our members and guests.

For all this we give thanks in Your Holy Name, Lord. Amen.

Ruth Weiss

Ruth's father was a U.S. History teacher, who taught using primary documents to instill a deep understanding of this country's real roots and purpose. As a result, she grew up with a healthy respect for America and everything that has made her exceptional.

As a Reagan Conservative and a Tea Party Member, she is proud to have attended the first 9-12 march on DC, the first National Tea Party Convention in Nashville, TN, the Glenn Beck American Revival training in Phoenix, and the Glenn Beck "Restoring Honor" event on the National Mall.

After retiring from 34 years of teaching high school English and Spanish, Ruth began to search for a new way of making a difference. She believes, as every American should, that voting in every election is the greatest privilege we have as American citizens, and the single most important act that we will ever do for ourselves and our posterity. Stories from around the nation of miscounted votes, of missing or miraculously "found" boxes of votes, of dead people mysteriously coming to life and voting on election day, etc. have become more than a joke to Ruth and a growing number of Americans. If our election process is subverted by error, apathy, carelessness and fraud, then we are robbed of the significance and purpose of the great privilege of voting, and that leads directly to the demise of our Republic. Through great consideration and prayer, Ruth came to understand that being involved with the Election Integrity Project would be her chosen way to serve her country, and she began working with them as San Diego County Coordinator in February of 2011, just two months after the company's founding.

Those "stories" have become more plentiful and more frightening year by year. The Republic of California is now in great danger of being "lost" permanently to the socialist, globalist oligarchy now in power. This transformation has occurred primarily because our electoral system has been corrupted and hijacked. *The citizens of our state must regain their God-given power to self-govern through the right to fairly elect those who will govern us.*

In March of 2017, Ruth Weiss and Linda Paine began the effort to found a nonprofit organization to continue the work of the Election Integrity Project. On July 21, 2017, with the help of returning EIP Board member Ellen Gifford and some pro-bono assistance from several attorneys, the **Election Integrity Project California, Inc. (EIPCa)** was officially recognized as a 501(c)(3) California public benefit nonprofit corporation.

Ruth is currently serving as EIPCa's Vice President, Director of Education and Training, and Director of the Southern Region of California, consisting of San Diego and Imperial Counties

President Trump's Top 9 Accomplishments 2017

By Sarah Westwood & Gabby Morrongiello, Washington Examiner, December 28, 2018

- 1) **Judicial Appointments**-12 appellate appointments including a new Supreme Court Justice, Neil Gorsuch who fits the mold of a strict originalist conservative whom he replaces, the deceased Justice Antonio Scalia.
- 2) **Tax Reform**- on December 22, Present Trump signed into law the Tax Cuts and Jobs Act which slashes the corporate tax rate from 35 to 21 percent, cuts individual rates for all income levels and doubles the child tax credit to \$2,000.00, and dramatically increases the standard deduction.
- 3) **Repealed the individual mandate of Obamacare**-this forced demand of all Americans to carry health insurance or pay a penalty is repealed and will effectively kill Obamacare but Trump pledges to finish the job in 2018!
- 4) **Deregulation**-met promise to slash two existing regulations for each new one and canceled or delayed more than 1,500 regulations in 11 months of his Presidency!
- 5) **Cut Government Waste**-reduced duplicative programs and wasteful spending by killing 59 wrong-headed intrusive guidance and policy documents, also eliminated several sanction policy coordinator positions to redesign and lighten the agencies including the Department of Justice and Office of Management and Budget.
- 6) **Travel Ban**-despite having the initial travel ban tied up in multiple legal challenges, currently the High Court permits the updated ban stating that the Constitution confers on the President broad authority to prevent aliens abroad from entering this country when he deems it in the nations interest.
- 7) **Defeating the Islamic State**-Trump has eased the rules of engagement for our military that has assisted the military's victory over Islamic State Strongholds.
- 8) **Recognition of Jerusalem**-made good on the promise and official position of our government since 1995 that the US Embassy should move to the rightful Capitol of Israel, Jerusalem.
- 9) **Withdrawal from Paris climate agreement**-fulfilled his promise to withdraw on this misguided agreement that Obama had negotiated without consent of Congress.

Thank You!

JANUARY - 2018

Member Spotlight - January Brenda Carbone

I have always had an ambitious drive and passion for business. While I started off in the finance industry with Capital Guardian, the staffing industry is where I found my niche and starting building my career. I started as an entry level sales rep with Remedy Temps, and as the company grew, I became Vice President of what was then a multi-million dollar staffing firm. After having my two daughters, I decided it was time to hang up my corporate hat and opened Strategic Staffing, a temporary, temp to hire & direct hire staffing firm. While I still own Strategic Staffing, my passion has shifted to the wellness center I opened in 2009, o2 Wellness.

People often ask how I went from staffing to wellness, but the answer is simple: Wellness saved my life. Before opening o2 Wellness, I was in chronic pain, suffering from insomnia and under constant physical stress until I started using the service provided by o2 Wellness. It was a no-brainer for me to open a place which made these same services available to the every day person. I have always been a giving person, and now I get to give the gift of beauty and wellness every day, and there is no better feeling.

On a personal note, I am the mother of 2 daughters and the proud grandmother of 3 beautiful grandchildren. I am very active in all things outdoors, love to travel (nationally and internationally) and strive to take care of myself both physically and mentally so I can help others to do the same.

I was born in Russia, worked as an English teacher at Rostov University.

I came to US in 1997 to California. I have 2 daughters, Marina (30) & Nicole (19).

I work in wine industry and I have a Certified Wine Sommelier certificate.

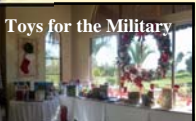

On November 8 2016, I was volunteering on Election Day and after, I decided to join to SCARWF in January 2017.

I am a passionate Conservative Republican, who supports the President's agenda and actively involved in SCARWF/CFRW's productive, important fundraisers, meetings, conventions, etc.

I just got sworn in as a Chairman Ways & Means with our other wonderful members and will do my best . It is exciting and enjoyable for me to be among all our true US patriotic, devoted republican women, who are volunteering their time, great ideas, amazing work for all good causes.

I want to finish just saying TRUMP 2020!
