President's Message March, 2018

"Happy St Patrick's Day to All!

Again, with all the intrigue surrounding special memos being released about the FBI and the DOJ, I must start my message by saying we are living in exciting times! But I must also say we are living in the saddest of times marked by the recent, senseless school shooting in Florida that took seventeen innocent lives!

I think our President wants to see the lives of our young protected without taking away the rights of lawful citizens to protect themselves. Gratefully, thoughtful measures are being proposed by President Trump and others to help prevent this type of dastardly deed from ever happening on our campus's again!

Back to our local scene, you won't want to miss our March 14th General Meeting & Luncheon when you will have the opportunity to hear from important Republican candidates who are running in the June Primary election. Please make your reservation to attend in March and consider inviting a friend to get the scoop on what these office seekers stand for.

Don't be GREEN with envy because you missed it!

I want to remind you of the upcoming Elephant Wine Tasting Party on Thursday, March 15th. This fun event is for every SCARWF member who renewed their membership for 2018 by our January 10, 2018 meeting or who are a new member in 2017-18. Be sure to RSVP by March 9th to Membership Chairman Crystal Bonham at ckbonham@gmail.com or 949-244-9428. The location for the Wine Tasting Party will be in the invitation on it's way to you now!

Lastly, keep in mind our April 11th Fashion Show Event! Stein Mart will provide us with a wonderful selection of clothing, including Ivanka Trump Fashions modeled by our members and a special surprise model! Shhh! I won't tell you who! Come to the event to find out who!

The tantalizing Silent and Live Auction items will make you glad you came! You will be treated to a delicious three course luncheon with sparkling wine for this special Pre-Paid event. Please bring a friend and come support our fundraiser for the Scholarships that we present to graduating high school seniors at our June Meeting!

Best regards, Mollie Lazarus, President, San Clemente Area Republican Women Federated

Invocation

Our Father, with hearts full of joy we thank You for Your blessings. For that reason help us to be mindful to pray for President Trump and all those in authority. May they make decisions that keep our nation free and strong.

The Reverend Billy Graham, who counseled 12 Presidents, including Donald Trump, knew that our sovereign country deserved prayers, loyalty, commitment and support. May we remember Dr. Graham lived an exemplary life trusting our God of power. He brought your word, Lord, throughout the world, leading souls to You. May he rest in peace. The persistent carry out His commands. We pray in your Holy Name, Amen.

MARCH GUEST SPEAKERS

John Cox
Candidate for Governor, 2018
My Policy Agenda

Once the land of promise and opportunity, California today is on the brink of financial insolvency, thanks to the failed policies of the Liberal Democrats and the timidity of "me-too" Republicans.

- We have the highest income tax rate in the nation, and rank dead last in friendliness to business.
- We have the highest poverty rate in the country.
- Our unfunded public pension liability is double that of any other state and we haven't even begun to fund our huge public retiree health care liability.
- Our regressive taxes are hurting the middle class, with the highest state sales tax, and outrageously high traffic fines and utility rates,
- AND if you felt under-taxed before, the California Legislature recently passed an incredible 52 Billion Dollar gas tax increase.

It's time to fight back, not by trying to out-spend and out-tax the Democrats, but by taking our government back.

The only possible way to rescue California from a likely financial melt-down is to unshackle small business, roll back oppressive regulations and focus on economic growth.

I'm a businessman, not a politician. I have a 35 year conservative record and have a plan to end the corrupting influence of special interest money in Sacramento. We will clean out the barn and I need your help to do that!

If you agree that it's time to fight back – and I hope that you do – then I urge you to [join Team Cox today](#).

Todd Spitzer
Candidate for District Attorney of Orange County, 2018
Meet Todd Spitzer

I am inspired and proud to dedicate my career to public service as an Orange County Supervisor and former California State Assembly Member. As District Attorney I pledge to always uphold the rule of law, put people's safety first and work tirelessly to make certain justice is served for victims and their families. We must restore faith and trust in our law enforcement and justice system.

As a former prosecutor and current Chairman of the Orange County Criminal Justice Coordinating Council, I know what it takes to get justice for victims and work with the community to solve crimes and ensure violent felons stay behind bars. But we also must work to stop crime before it starts. As a former high school teacher and School Board Trustee and business owner, I know that solutions to complex crime problems begins by solving critical issues like homelessness, our kids' broken education system and ensuring that our economy is growing to provide job opportunities for everyone. As Supervisor, I've already pioneered policies in our County to help address these issues and make our communities safer. It's time to focus on rebuilding the DA's office, including modernizing it by bringing the latest in crime fighting tools to our hard-working prosecutors.

You can trust I will uphold justice, fight for our civil liberties and act as a model of ethical conduct with honesty, integrity and complete transparency. Together we will build a safer and more prosperous Orange County.

Todd Spitzer

Kristin Gaspar
Candidate for the 49th Congressional District, 2018

Supervisor Kristin Gaspar is Chairwoman of the San Diego County Board of Supervisors. She is the youngest woman ever elected to the board. Prior to becoming a Supervisor, Gaspar was an Encinitas City Council Member and went on to become the first Mayor ever elected in that city. She and her husband Paul, have three children. Kristin was born and raised in North County and is proud to represent her hometown community.

In her first year as Supervisor, Gaspar teamed up with Supervisor Dianne Jacob to launch an initiative that will help the growing number of seniors with dementia who end up in crisis. The effort is an outgrowth of The Alzheimer's Project, the county-led initiative to find a cure and help families struggling with the disease.

Chairwoman Gaspar also co-initiated an investment of more than \$400,000 to install five additional cameras in key fire-prone areas around the county. This will also boost the wireless network's capacity and capability, ensuring first responders have real-time information that enhances fire protection.

Before being elected Supervisor of District Three, Gaspar was CFO of a physical therapy company. She is very involved in her children's schools and extra-curricular activities and serves as a pop Warner cheerleading coach.

Thomas Krouse
Candidate for State Assembly District 76, 2018

Common Sense Solutions

My name is **Thomas Krouse**, and I am committed to making *your* voice heard in Sacramento.

Our government should focus on the **priorities, principles, and values** that are shared by the broad majority of citizens, not on issues and self-generated problems designed to score political points and to raise campaign contributions.

I am committed to fighting to **protect local control** in North County which is under threat by dysfunctional 'one size fits all' government initiatives. I also pledge to **oppose future tax increases** as long as government continues to spend taxpayers' money so ineffectively, inefficiently, and unwisely.

Above all, California should be focused on **job creation** and sustainable economic growth because a strong economy is essential to maintaining focus on our remaining priorities.

If you share my vision, I urge you to **connect with me and help make it happen!** Together, we can make a meaningful difference -- for our families, our community, and our country.

Diane Harkey
Candidate for the 49th Congressional District, 2018

Diane Harkey, Candidate for the 49th Congressional District in California, was elected in November 2014 to the State Board of Equalization where she represents the voters of the 49th Congressional District as well as residents of 5 Southern California counties including

Orange, San Diego, Imperial, Riverside and a section of San Bernardino.

Harkey recently served three terms in the California State Assembly representing the 73rd District encompassing nearly half of the residents of the 49th Congressional District.

As Chairwoman of the State Board of Equalization, Diane capitalizes on her private and public-sector experience to promote the rights and interests of all taxpayers.

As a Constitutional officer, Harkey advocates for policies that support job creation, employment opportunities, improve California's state budget outlook, and reduce the burden of complying with government audits and various tax regulations.

Harkey also served as Chair of the Business Taxes Committee, the regulatory body at the BOE charged with writing, updating and streamlining regulations that implement California's business tax statutes.

A Message from Diane

I'm running for Congress because I've seen firsthand the need to reform the way government works and more important, the way it thinks.

As your elected member of the State Board of Equalization, I've worked with Taxpayers from all walks of life and I'm dedicated to making sure every citizen is treated fairly by government.

I hope you'll join my team today by making a contribution, or signing up to volunteer on my campaign.

Thanks sincerely,
Diane Harkey

Starting with military service, then as a social worker, then as a line prosecutor, and ultimately as a Superior Court Judge before being elected District Attorney, I have worked to serve the residents of Orange County for most of my adult life. MARCH - 2018

Member Spotlight - March

Sally McDaniel

When I was 3 years of age my parents bought a new home in a suburb of East Long Beach where I lived until I moved out.

I went to college in Long Beach for a career in dental assisting.

Soon thereafter when I was 21 years of age I bought my first new home in Huntington Beach within walking distance of the beach.

In 1978 I decided to start a career in escrow and title business which lasted two years then I decided to start making real money and got my real estate license in 1980. And I have been selling single family homes and Investments ever since. I have seen a lot of ups and downs in Real Estate.

Also, contracts when I started were only two pages long.

After 18 years of living in Huntington Beach we moved to San Clemente when my husband, Kelson McDaniel became the Police Chief of San Clemente when we had our own Police Department.

We built our beautiful dream home on top of the hill of Avenida Salvador in San Clemente and enjoyed living there for 32 years which we sold this last here in 2017. We decided to move down in size and are so happy with our new home in the Gallery out in beautiful Talega. We're so fortunate to move on to a party street where the first 5 months of our life here in the Gallery we were invited to 5 parties on our street alone. One of those parties was a welcome party for us as newcomers on the Block.

During my 37 years of marriage we have accumulated 17 grandchildren between the two of us as a blended family and 14 great-grandchildren.

We are busy with our new home, decorating, gardening, Real Estate, and of course grandchildren.

I believe I have been a SCARWF member since 1986 and have served Ways & Means Chairman, & Scholarship Chairman.

Respectfully, Sally McDaniel
