President's Message March, 2020

Greetings Ladies and Gentlemen of SCARWF,

Looks like the political circus continues on. As one act falls apart, another presents itself. No matter what has been used to destroy this President, it hasn't worked so far. The enemies of the people soldier on because their lives and wealth depend on it. The media, the Left, the Democrats and the Deep State are at their wit's end. Now they are weaponizing a virus originating from China to create havoc on the US economy via the stock market. These indicators have been used by President Trump to highlight two of his great accomplishments. If you have noticed, the Chinese government is in the middle of many US scandals. It is very interesting that just when the

Hunter Biden's China connection has come to light, this Chinese flu virus has taken all the sunlight off the Biden Crime Family. Also, it has been found that many Governors of states within the US are suspected to have taken money from the same Chinese government. Of course California Governor Newsom is one of many under suspicion. It also has been discovered that a Chinese spy, a California naturalized US citizen, was selling U.S. technology to China. There are videos of this on the internet. Is this just too coincidental? There seems to be one crisis after another, created by the enemies of President Trump and those who support him. This would be exhausting, but I find it fascinating at what lengths these vipers will go to STOP this President. These attempts fail every time and he keeps winning.

Now on to local issues, it continues to alarm me as a Republican, the behavior of the OCGOP and their chosen candidates. I know by the time SCARWF members read this message the Primary Election will be completed, but I need to bring something to your attention. WHAT HAPPENED to Regan's 11th Commandment? I have been shocked and dismayed by ongoing statements of the OCGOP and several so called Republican women running for office regarding competing male candidates. They are clearly using the democrat playbook of accusing male candidates of misconduct that they claim happened many years ago. Several elections have come and gone and nothing was said or done and NOW they want RWF members and the electorate to believe these accusations for the benefit of these two female candidates. I find this insulting. The OCGOP sent a letter out with an official looking letterhead, and it began with bashing a local Republican incumbent we all know. The letter ended up as an endorsement letter for a woman who is known for her toxic inflammatory unfounded statements regarding a fellow Republican she is running against. What happened to "Innocent until proven guilty"? People are revealing who they really are in our party, and we need to make the needed adjustments or we will continue to lose elections and have chaos within the Orange County Grand Old Party (OCGOP).

Blessings,

Jacqueline M. Cooper, President, SCARWF

Invocation

Our Heavenly Father,

We are thankful as we come before You in prayer. We know we're not here by chance, but by Your choosing. As American citizens, we are privileged to pray for our leaders and those in authority over us. We faithfully hold up President Trump in prayer. He has proven worthy of trust, by keeping his promise to make our Country safe, strong and for a return to our cherished values. May the spirit of free enterprise continue to grow. We the People are resolute in our resistance, against haughty evil forces, that threaten our Constitutional way of life. Lord, pray it be your will to make our Nation a blessing to all Nations of Your earth. Father, we give You all the honor, glory and praise as we pray in Your Mighty Name, Lord .

Amen

SCARWF Del Mar Booth Update

By Jacqueline Cooper

The DemocrATS were out it force, but we held our own. How come they all look the same? Talking about old leftist. I mean OLD!

They all were driving new Teslas, & new Mercedes and there were a lot of them. We had our signs out NO NEW TAXES and they complained about them. I told them they are welcome to give the government as much money as they wanted. Just don't expect me to do the same. CRICKETS!

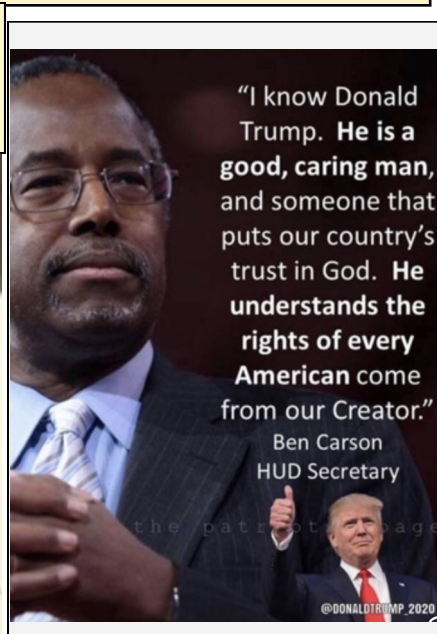

We will be having the SCARWF booth throughout the year, until the election. We will need volunteers!

Operation Baby Shower

SCARWF is inviting 25 "Mom's to be" from Camp Pendleton Marine Base for a fun evening of games, gifts and food!

Date: **Thursday, May 28th**
from 4:30 - 7:30 pm

Location: **De Luz Community Center**

In order for the Baby Shower to be a great success, we need the generous ladies of our club to donate cash or checks made out to cash and on the memo indicate for "Military Baby Shower".

It is so much fun to shop for newborns, but keep in mind that mostly generic colors of onesies, outfits, receiving blankets, etc. would be best. Any large items that are gently used and cleaned, such as high chairs, cribs, strollers, toy gyms, etc., would be appreciated. If you cannot bring them to our luncheon, call **Vickie Rennie at 949 257-7859** for pickup arrangements.

Thank you for your generosity!

Highlighted Memeber of the Month - March

Judy Price

My name is Judy Price. I am a native North Dakotan. I was raised on a cattle and grain farm near the small town of Willow City. Upon graduation from college, I took a teaching job in Hacienda Heights, CA. At that time, CA was recruiting educators from out of state. I taught and counseled special education high school students for about 39 years.

I am married with two children, five grandsons and a great granddaughter. My son is a retired police lieutenant, and my daughter is a 3rd grade teacher.

Upon retirement, we moved to San Clemente from Studio City. I am actively involved with the Assistance League and committed to volunteering in the community. I enjoy traveling, reading, hiking and time with family and friends.

I am quite excited about joining the Republican Women's Club. We need to work hard to turn CA red.

A note from: Susan St. Peters Book Club Committee Chair

Anyone can come to Book Club (you don't have to RSVP). We try to let people know what we are doing at least a month ahead of time so they can get the books at their earliest convenience (SCARWF doesn't provide the books; those interested in participating in Book Club get the books on their own). Some buy hardcopies, others use Kindle versions, and others may use audio books. Occasionally, we'll do a book that's been out for a while, and members may find a copy in the local library (but that's rare as libraries tend to carry more liberal books and fewer conservative books).

We'd love to see you at future Book Club discussions. Even if you haven't finished the book, you're welcome to come and discuss what you did get through.
