# President's Message November, 2019

Dear Ladies and Gentlemen of SCARWF,

Attacks on our President, the American people and the Constitution are continuing. The Democrat Party never stops with outlandish accusations, stunts with constant infringements of President Trump's constitutional rights and our rights as citizens. This CRAZY TOWN behavior from the Democrats seems to be a daily event. You just can't make some of this up. Whether it's nutty new legislation from our hopefully recalled governor, Gavin Newsom or the outrageous lies coming from Adam Schiff weekly, it seems like it's a never-ending assault on the American people and our duly elected President Donald J. Trump. Sometimes I feel like I am living in an alternate universe.

What about those crazy high gas prices? Not to mention the bizarre stuff happening in our own little hamlet of San Clemente with a far left "Black Lives Matter" loving 23 year old candidate using every trick in the book to deceive people to vote him onto our City Council. We now learn he is under criminal investigation for his shenanigans. By the way, his biggest donors are the OC Democrat Women's group. You know who he is, I am sure you have received the fancy flyers in the mail.

We need to have a sense of humor about this to stay sane. SCARWF must spread the word about voting out the politicians who have created this mess, from the San Clemente City Council to the highest office in the land. It is our duty as Republican women and men to be informed and not to be afraid to speak out in a kind and considerate matter while trying to engage people about the situation in our city, state and country. We need to be a presence in our community. Make no mistake we are in a cultural war against leftist trying to disenfranchise the America loving public especially in California.

This is an opportunity to register citizens into the Republican Party. Many registered Democrats, whose party has left them behind, are disgusted at what has happened to their party. These formerly Democrat voters will be embraced by the Republican Party.

To be honest, Gavin Newsom, Adam Schiff and Nancy Pelosi have given us a gift with all this, absolutely, outrageous behavior. By instituting a destructive GAS TAX and a FAKE IMPEACHMENT of President Trump who is WINNING daily. They are driving their base to us, the Republican Party. The Gas Tax was a "bait and switch" tactic, and Californians know it. The impeachment is FAKE because the House of Representatives has tried and failed to pass "Articles of Impeachment" against President TRUMP. You cannot vote for impeachment without the Articles, voted and passed by the entire House of Representatives. Schiff's secret inquiry is just a big show. The poles say, the people, Democrats and Republicans do not want to impeach the President. Who knows what Pelosi and Schiff will pull next? We know they are capable of anything, because they are desperate, despicable liars and cheaters.

Inform yourselves with the facts about the gas tax, the executive orders by Newsom, and the false information that is being given to the American people regarding the impeachment. Remind them of the pain that the gas tax and the many other onerous laws Newsom and the Democrat Party has inflicted on the people of California. These are facts that can be used by Republicans to inform and create a massive change in our city, state and country. Make California Red Again!

Blessings,

Jacqueline Cooper, SCARWF President

## Invocation

Our Heavenly Father,

Thank You for the privilege to come to you in prayer, for You hear all our prayers. We pray for President Trump, who's not hesitant to stand up for what is right in the face of opposition, knowing the buck stops at the President's historic desk. His duty as Commander and Chief to "We the People" is a sacred trust and an obligation to our exceptional, God Blessed United States of America. Lord we're grateful for the wise framers of our unique U. S. Constitution. John Hancock, American Revolutionist and the first signer of the Declaration of Independence, wrote: "We think it's incumbent upon this people to humble themselves before God on account of their sins, and, to implore the Divine Blessings upon us, that by the assistance of His grace, we may be enabled to reform whatever is amiss among us, that so God may be pleased to continue to us the blessings we enjoy".

Our Lord, we pray in Your mighty name.

Prepared by Nancy Imes, SCARWF Chaplain

# Craig Van Doren

## Honor Flight Southland, Chairman, Co-Founder

Craig Van Doren, born in Inglewood, California in 1951, is a 4rd generation Californian. Both of his parents, George and Betty, met and served in the Navy during World War II. Getting married after the war, they settled in Los Angeles to raise Craig and his brother, Kirk, who served in the Air Force during the Vietnam era.

Honor Flight Southland's mission is to safely transport American Veterans, at no cost to them, to Washington, D.C. to be honored at the memorials built in their honor.

During 2013, Craig became associated with the San Diego Honor Flight hub. He had the privilege and honor to act as Guardian for three different WWII veterans on trips back to Washington, D.C. After prompting from both the National Honor Flight Network Chairman and the San Diego Honor Flight Chairman, Craig, along with two other experienced Honor Flight Travelers, decided to officially launch Honor Flight Southland in April, 2014, representing Los Angeles, San Bernardino and Orange Counties. Realizing these counties had been under-represented for so long, they have been energetically working to raise funds, establish lists of veterans and provide those veterans with the Tour of Honor they deserve. Since their initial June, 2015 flight, they have taken 335 WWII veterans back to DC. Time is of the essence!

# Military Notes

Dear SCARWF Members

Give thanks, show gratitude, count your blessings and be extra generous this Thanksgiving. Our Marines at Camp Pendleton have sacrificed a lot for our Freedom. They are away from their families and get paid very little for their sacrifice.

Last year the Thanksgiving Dinners that feed 6 to 8 people were \$60 while Albertsons gave pies, can goods and rolls to complement the meals. We will know in early November how much each dinner will cost (hoping it's not much more).

Blessed be your family and friends this Thanksgiving Holiday!

Sincerely,  
**Vickie Rennie, Military Liaison**

PS: I need the names of the Ladies & Gentlemen that could help deliver the dinners. Please email me. See the directory for my contact information.

Delivery date would be 11-26-19 (Tuesday) at 12 noon at Albertsons (Talega off Pico).

# 41st Biennial Convention October 18-20, 2019 Bakersfield, CA

The convention was great with a lot of work and a lot of fun! We got to meet and hear Ken Starr and his wife. Wow...the sweetest people you ever wanted to meet! I was impressed. We went to the BUCK OWENS CRYSTAL PALACE! The food was amazing and the country music and line dancing was super fun too. Our new member of our club, but long time member of the RFW, Sue Blair is the CRFW new President starting January 1st. She is going to be great! Unfortunately, Mollie lost the Region 8 by one vote. We retained our DIAMOND CLUB status and are moving forward!

### Book Club Review

Book: TRUMPOCALYSPE

Author: Paul McGuire & Troy Anderson

Rating: ★★★★★

Review: (Note: This review was cut-off last month so reprinting)

Written by an internationally recognized Bible prophecy expert and an investigative journalist twice nominated for a Pulitzer Prize, Trumppocalypse focuses on the elite globalist agenda to fold the U.S. into one universal system and discusses how the election of President Trump disrupted those plans. The Establishment has tried to portray Trump's presidency as "catastrophically damaging to civilization" while many faith leaders and conservatives see his election as a "divine reprieve" ushering in a wave of optimism to conservative America. The authors expose the secret globalist plan for humanity (the elite 1% exploiting the rest of us), reveal the campaign of mass deception (including climate change hysteria, the "essential economic reset," and more), and discuss how President Trump challenges the failing Establishment with ideas based on ones developed at our nation's founding (apparent in the U.S. Constitution and other documents).

The book explores the enigmatic prophecies and biblical codes involving President Trump and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end-times awakening that millions are praying for. It ends on a hopeful note, reminding readers that returning to the God who made America great in the first place will indeed make America great again.

Book: OPEN BORDERS, Inc.

Author: Michelle Malkin

Rating: ★★★★★

Review: Follow the money, find the truth. That's Michelle Malkin's journalistic mantra, and in her stunning new book, Open Borders Inc., she puts it to work with a shocking, comprehensive exposé of who's behind our immigration crisis.

In the name of compassion—but driven by financial profit—globalist elites, Silicon Valley, and the radical Left are conspiring to undo the rule of law, subvert our homeland security, shut down free speech, and make gobs of money off the backs of illegal aliens, refugees, and low-wage guest workers.

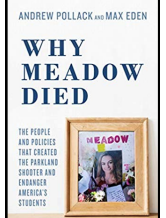

Politicians want cheap votes or cheap labor. Church leaders want pew-fillers and collection plate donors. Social justice militants, working with corporate America, want to silence free speech they deem "hateful," while raking in tens of millions of dollars promoting mass, uncontrolled immigration both legal and illegal.

Malkin names names—from Pope Francis to George Clooney, from George Soros to the Koch brothers, from Jack Dorsey to Tim Cook and Mark Zuckerberg. Enlightening as it is infuriating, Open Borders Inc. reveals the powerful forces working to erase America.

## Susan St. Peters

Having been read to by her parents (and sisters) before she could talk, Susan St. Peters was reading at age 4 and cultivating what would become a life-long love of books. Recently retired, she is a professor emerita of film, mythology, and literature who has a strong sense of story and structure. An award-winning screenwriter and producer, she created and taught screenwriting and screenplay analysis courses for Riverside City College; she also teaches the story structure portion of private, invitation-only intensive film workshops in Southern California, Atlanta, and other locales. She has helped hundreds of writers develop their stories for film, television, and publication and has enabled many students to find their writing voice.

Susan holds both a BA and an MA in English from Cal Poly, San Luis Obispo, as well as a Certificate of Writing for Film and Television from UCLA. Although Susan began her teaching career at Cal Poly at age 21 while in graduate school, her career path took many interesting turns before she started teaching at RCC in 1998. Susan has taught middle school, high school, at a court-reporting school, and even at a golf college (teaching English for Business, not golf!).

Susan moved to Southern California in the 1980s where she met her husband Bryan. They will celebrate their 30th wedding anniversary in February. Although Bryan lived in San Juan Capistrano when they met, job responsibilities kept them in Riverside County until 2015 when they and their beloved Golden Retriever relocated to Mission Viejo where South Orange County instantly felt like home. In 2017, Susan was delighted to discover SCARWF's voter registration table at the Shops at Mission Viejo, and she immediately asked for information about joining the group (and was hugged by the two ladies staffing the table).

## Carolyn Novotny

Carolyn Novotny joined SCARWF shortly after moving down to San Clemente from the San Gabriel Valley. Even though she still works full time, she volunteers as often as she can to help our organization and the Republican Party. Working over 35 years in the Insurance Industry, she retired the first of this year after starting her own company helping to provide information to Seniors and their Loved Ones that are dealing with changes in their lives. She has also been part of the 930 members of the Tournament of Rose Committee for the past 23 years, is the incoming Chair for the Orange County Chapter of the National Aging in Place Council and was recently asked to be on the Advisory Board for the San Clemente Village.

- ▶ Deliver mail-in ballots at 110 steel boxes throughout Orange County.
- ▶ At the voting site, mark a printed ballot with a pen.
- ▶ People who vote by machine will receive a print-out.

Alex Padilla, CA Secretary of State has an Online Voter Registration website

Check to see if you are correctly registered by logging on <https://voterstatus.sos.ca.gov/>

According to Ballotpedia, "California utilizes a top-two primary system, which allows all candidates to run and all voters to vote but only moves the top two vote-getters, regardless of party affiliation, to the general election. Generally, primary elections are elections in which registered voters select a candidate that they believe should be a political party's candidate for elected office to run in the general election. In states that do not use a top-two system, both parties are usually able to put forward a candidate for the general election if they choose to."
